## Quick Guidance for Students

# Quick Guide

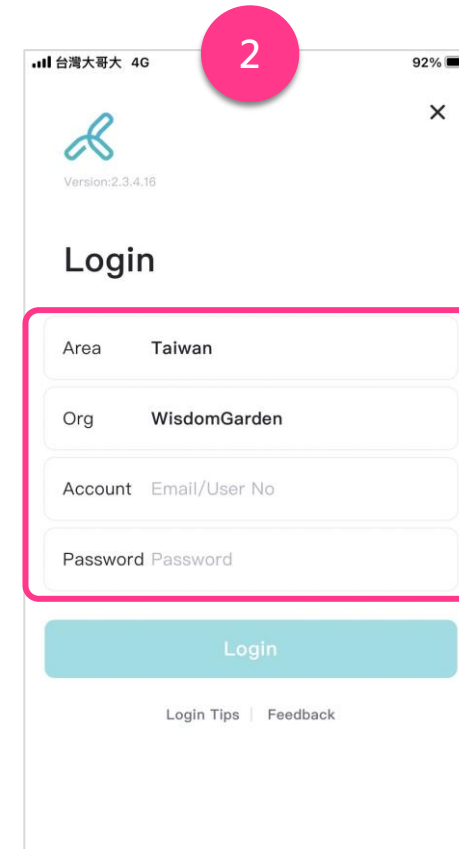

- 1. Login TC**
- 2. Basic Introduction**
- 3. Study Support**

# Login TC

# Download and Login TronClass App

1. Scan the QR Code to download TronClass App.

2. Choose your location and school/organisation, and login by your ID and password (same as the ID and password in school information system).

# Login TronClass Web (2/2)

3

The screenshot displays the TronClass web interface. At the top, there is a navigation bar with the logo, 'WisdomGarden', and links for 'Course List', 'Resources', and 'Question'. The user's name '陳依依' and a notification badge with '45' are visible on the right. The main content area is divided into several sections:

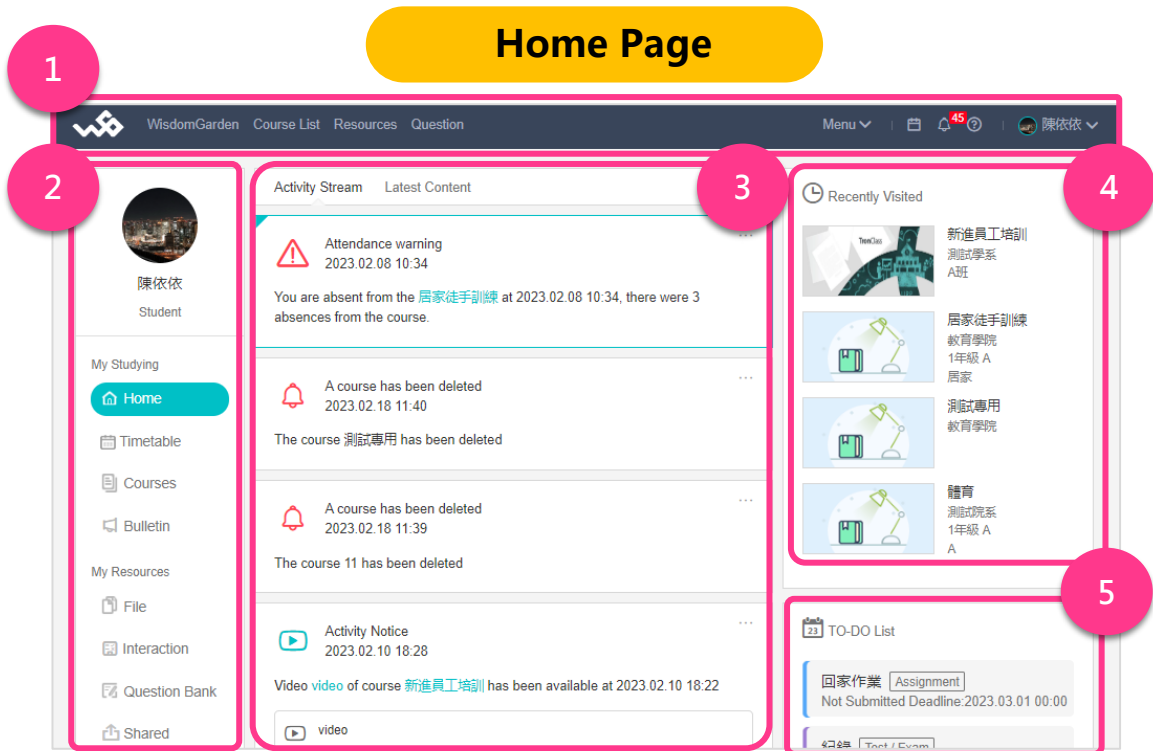

- Left Sidebar (My Studying):** Contains a 'Home' button (highlighted with a pink box), 'Timetable', 'Courses', 'Bulletin', and 'My Resources' (File, Interaction, Question Bank, Shared).
- Activity Stream (Latest Content):** Shows an 'Attendance warning' for '居家徒手訓練' on 2023.02.08 10:34, stating 3 absences. Below it are two notifications about deleted courses: '測試專用' and '11'.
- Recently Visited (highlighted with a pink box):** Lists courses like '新進員工培訓 測試學系 A班', '居家徒手訓練 教育學院 1年級 A 居家', '測試專用 教育學院', and '體育 測試院系 1年級 A A'.
- TO-DO List (highlighted with a pink box):** Shows '回家作業 Assignment' with a deadline of 2023.03.01 00:00.

3. The first interface is **Home Page**. You can see "**Recently Visited**", "**TO-DO List**", etc.

# Basic Introduction

---

# Web – Homepage

1. **Header:** course search, App QR code, language setting, access to your courses are provided.

2. **Menu:** accesses to **Courses, Files**, etc. that are classified by attributes.

3. **News:** notifications of activities and alerts such as assignment information and exam reminders.

4. **Recently views:** course/pages that you visited recently.

5. **TO-DO List:** your to-do tasks or activities to attend, such as course assignments and tests.

# Web – Course

## Course content

The screenshot shows a course page for 'Edu-tech Introduction' (DEMO-02). The page is annotated with four numbered callouts:

- 1:** A pink box highlights the top navigation bar containing 'Members', 'Rollcall', 'Grade', and 'Analysis'.
- 2:** A pink box highlights the 'Section' menu item in the top navigation bar.
- 3:** A pink box highlights the main content area showing a list of learning activities under the heading 'Chapter One: The core concepts of education informatization'. The activities include 'Learning courseware: four steps to help students learn...', 'Learning Courseware: Preliminary Understanding of the Concept of Edu-tech Introduction', two 'Link: WisdomGarden' items, and a 'Personal assignment: an example of the value of educational technology'.
- 4:** A pink box highlights a vertical progress indicator on the right side of the page, showing a series of horizontal bars representing the completion status of each activity.

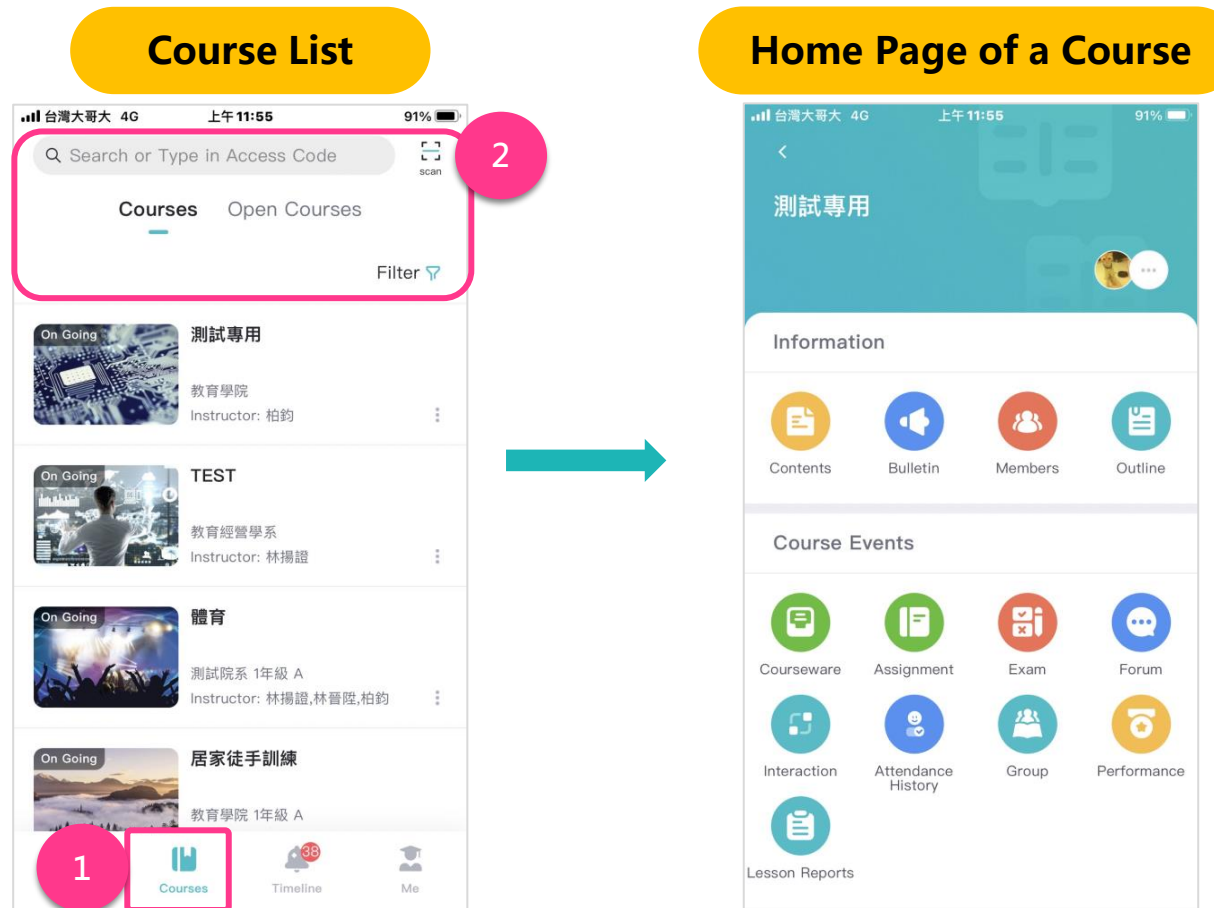

To the right of the progress indicator, a legend shows three examples of progress bars with corresponding labels:

- A light blue bar labeled 'Incomplete'.
- A dark blue bar labeled 'Complete'.
- A medium blue bar labeled 'Partially complete'.

- 1. Personal Inquiry:** view the rollcall, course members, grades, and analysis.
- 2. Learning Management Menu:** switch to bulletin, syllabus, materials, assignments, tests, etc.
- 3. Course (Section):** show learning activities in the course
- 4. Completeness:** check the progress of all learning activities

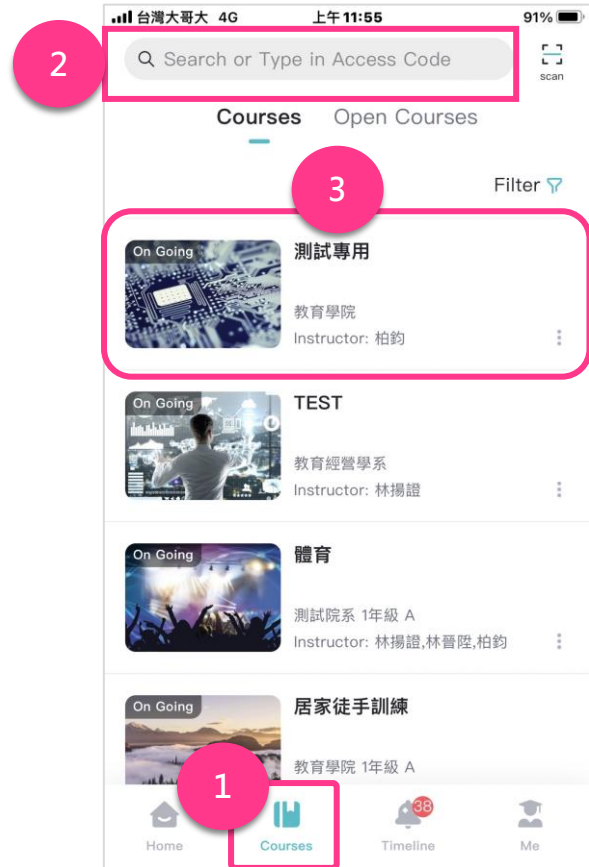

# App – Course (1/2)

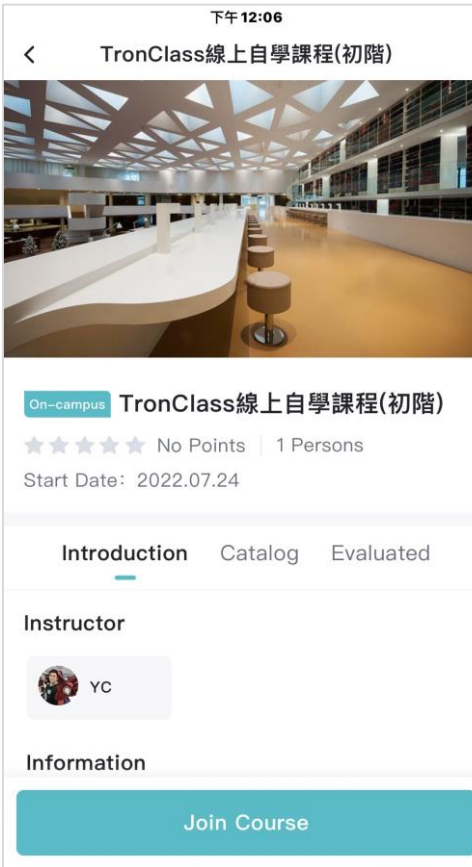

1. Press **Courses** to see your own course list.
2. Choose a course and enter its home page.

# App – Course (2/2)

## Find courses

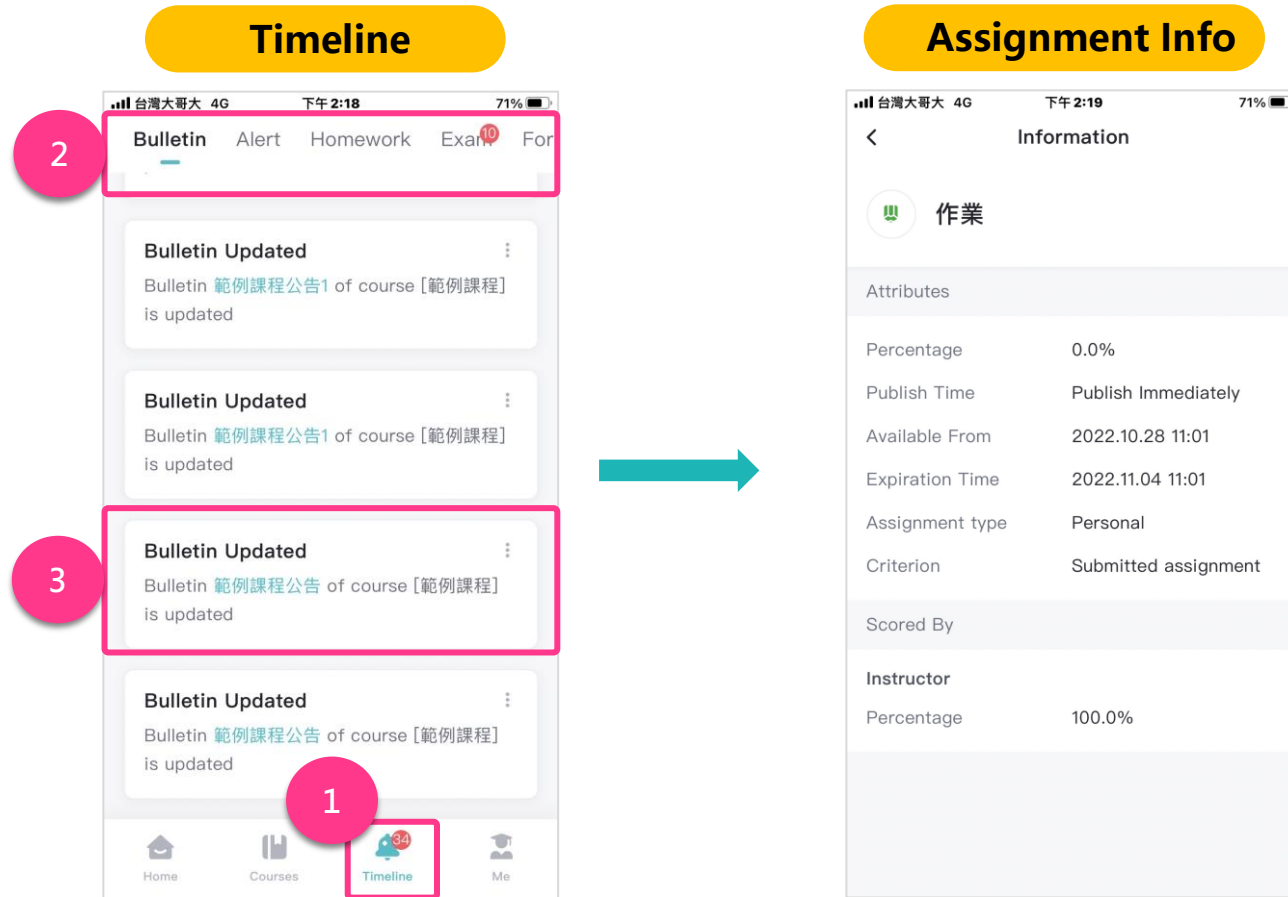

## Course Introduction

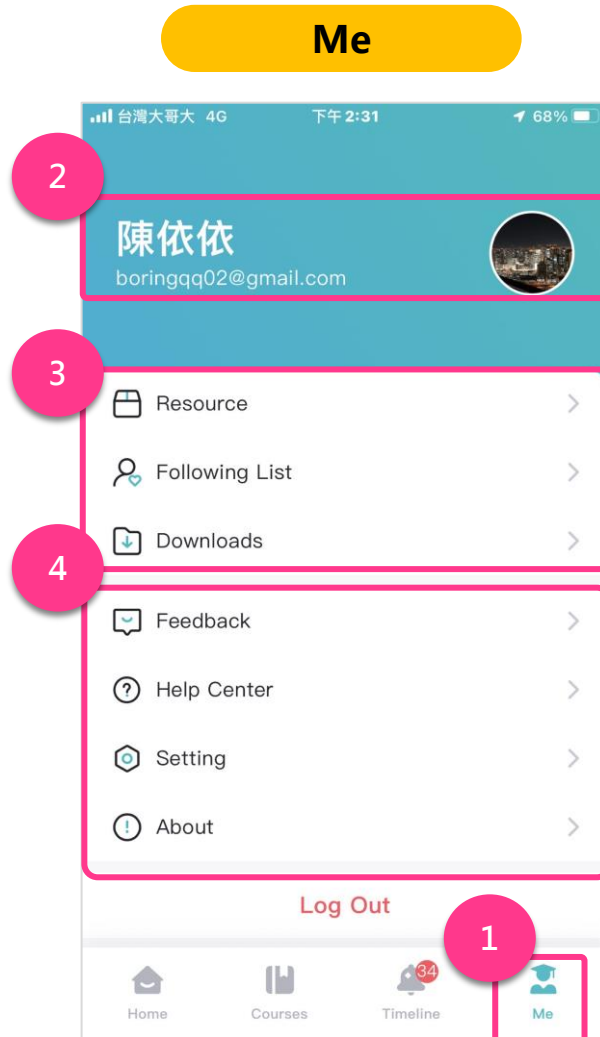

1. Press **Courses** and enter into **find courses** page
2. **picked courses/all courses**: show the hottest public courses, new public courses, and all public courses.
3. Choose a course, and enter into **Course Introduction**.

# App – Notifications

1. Press **Timeline**.
2. **Timeline/To-dos**: show notifications and reminders of recent learning activities.
3. Press one notification to see related details.

# App – About Me

1. Press **Me**.

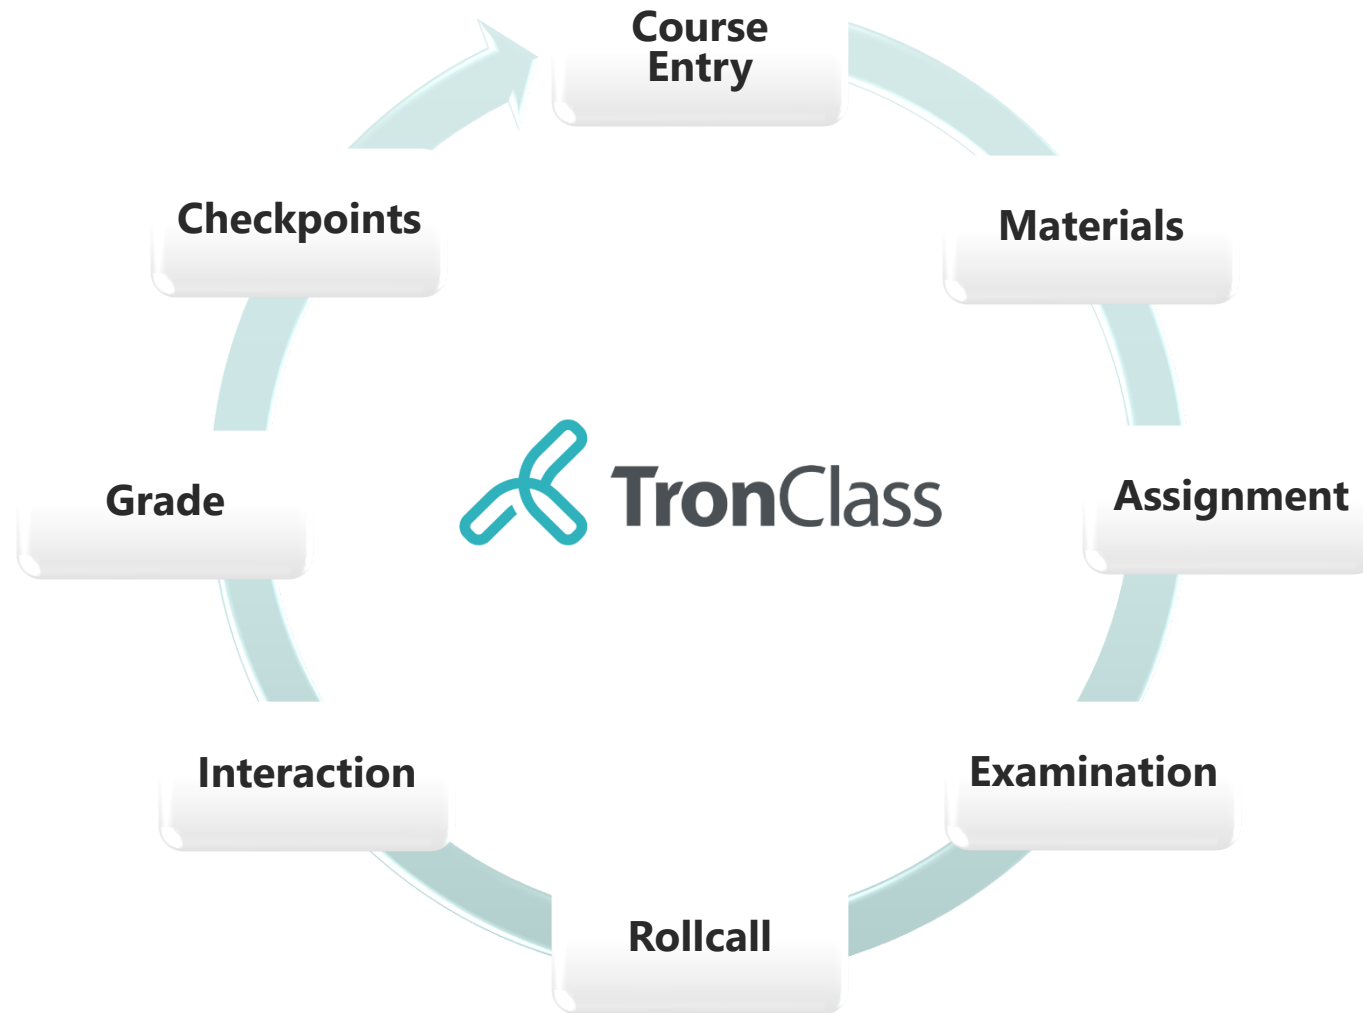

2. Edit and modify your info, such as name and password, and bundle your mobile phone number.

3. **Resource/Downloads**: send private messages to someone, you can also manage downloaded files here.

4. **Feedback/About**: provide feedback about platform issues and comments, and view the current version of TronClass in **About**.

# Study Support

# 8-Step for Your Study

# Step 1 (1/3): Enter your course

1

The screenshot shows the student dashboard for '陳依依' (Chen Yiyi). The 'To-Do List' notification is highlighted with a pink box. The notification text is: '回家作業 [Assignment] Not Submitted Deadline:2023.03.01 00:00'. Other notifications include an attendance warning and course deletion messages.

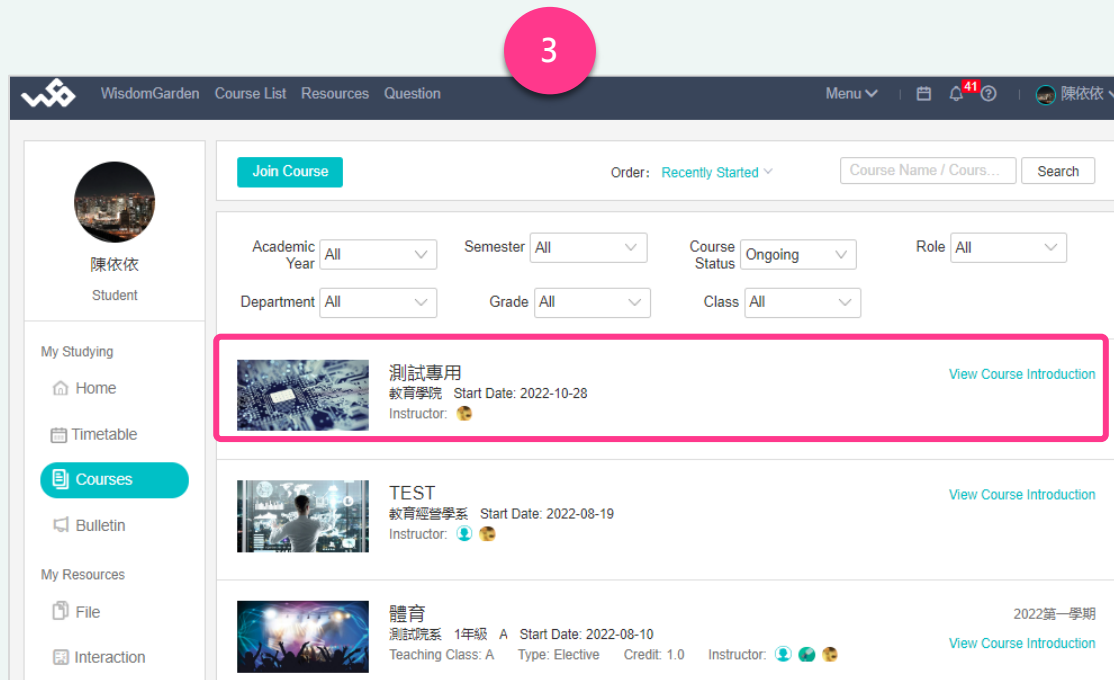

2

The screenshot shows the student dashboard for '陳依依' (Chen Yiyi). The 'Courses' menu item in the left sidebar is highlighted with a pink box. The dashboard content is identical to the first screenshot, showing notifications and a list of recently visited courses.

1. Log in to TC Web and enter into **Menu**, click the notification of **To-Do List** to submit assignment or attend exams.

2. Click "**Courses**" and enter into courses list page.

# Step 1 (2/3): Enter your course

# Step 4: Test / Exam

1

The screenshot shows the WisdomGarden course interface. The navigation menu at the top includes 'Section', 'Bulletin', 'Recorded Lessons', 'Material', 'Assignment', 'Test / Exam', 'Discussion', 'Interaction', 'Group', and 'Note'. The 'Test / Exam' tab is highlighted with a pink box. Below the navigation menu, there is a table of exams. The table has columns for 'Exam Name', 'Exam Type', 'Number of Questions', 'Grade', and 'Answer (Submitted/10)'. The 'Answer' column for the 'sport test' row is highlighted with a pink box.

Exam Name	Exam Type	Number of Questions	Grade	Answer (Submitted/10)
sport test Take: 2023.02.22 16:24 End: 2023.03.31 16:24 Section / Unit: 第一天訓練...	Personal	10	Unsubmitted	Answer (Submitted0/10)

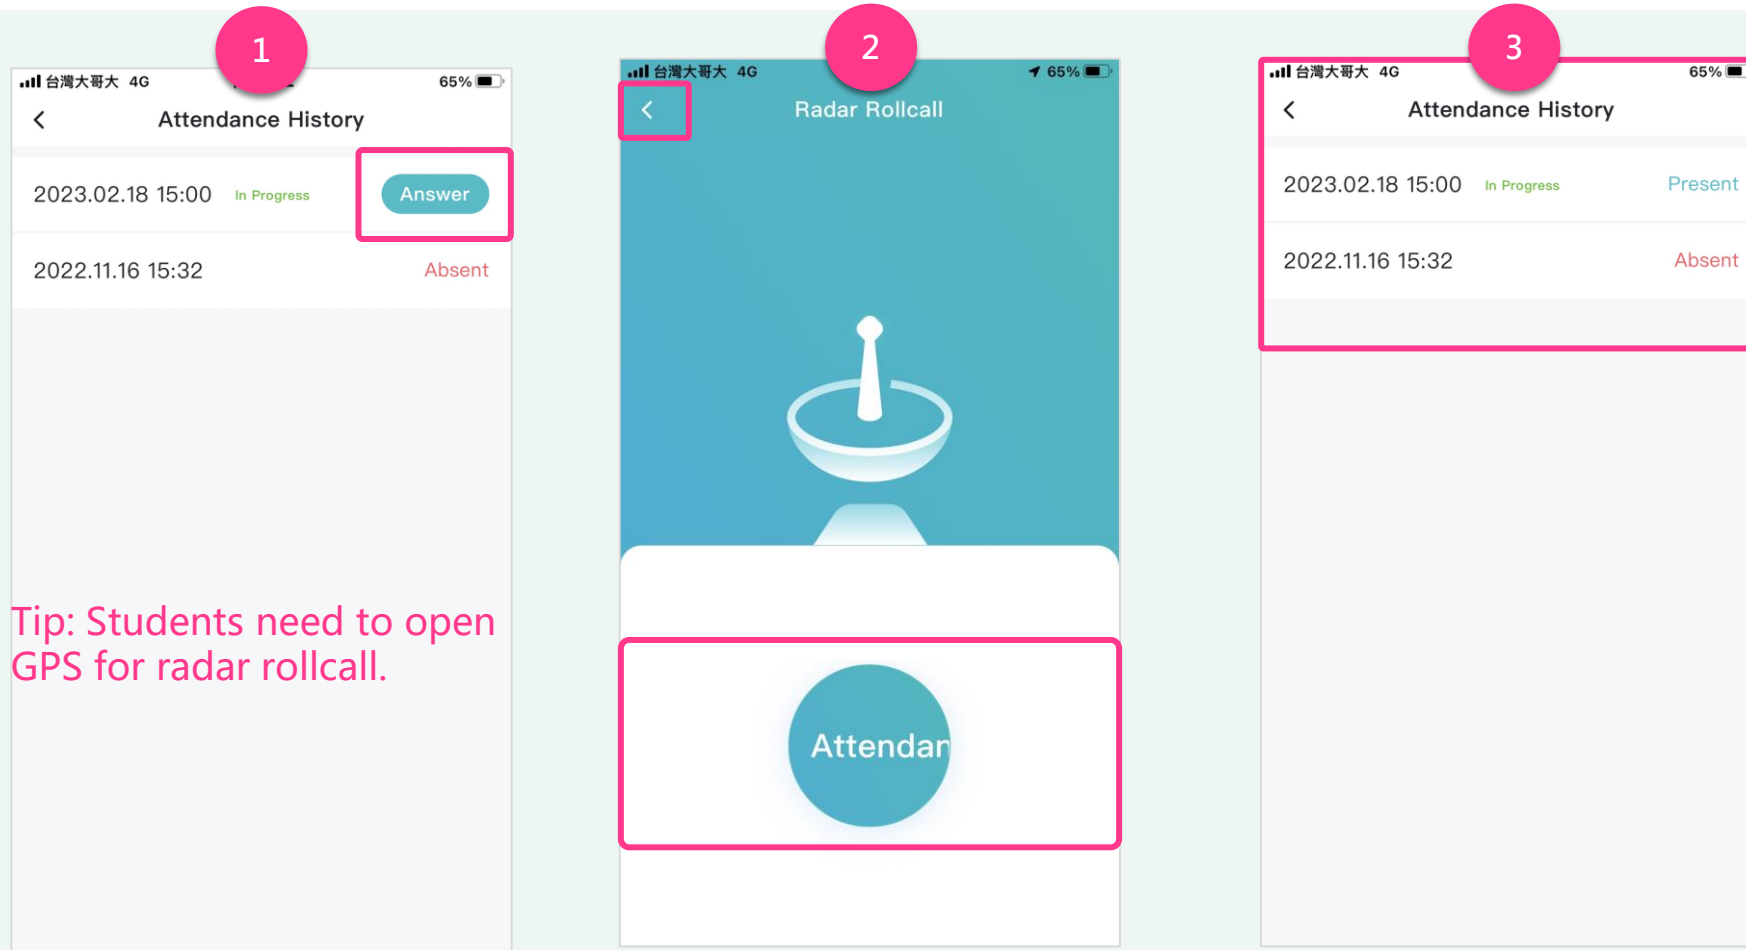

1. Click **Exam** to see exam list, and click "Answer".

2

The screenshot shows the online test interface. The question is: "1. Which of the following description is true about the character of TronClass?" The options are: A. The grades of student assignments are classified as: teacher review, student mutual assessment (individual, group), intra-group mutual assessment; B. Can set completion indicators for learning activities and design breakthrough learning modes; C. Radar roll call, Bluetooth roll call, digital roll call can be initiated through TronClass APP; D. Teachers can collect student ideas and vote in real time through the TronClass APP; E. None of above. The 'Submit' button is highlighted with a pink box.

2. Take the exam you choose and click **Submit** after answering questions.

# Step 5: App Rollcall (1/2)

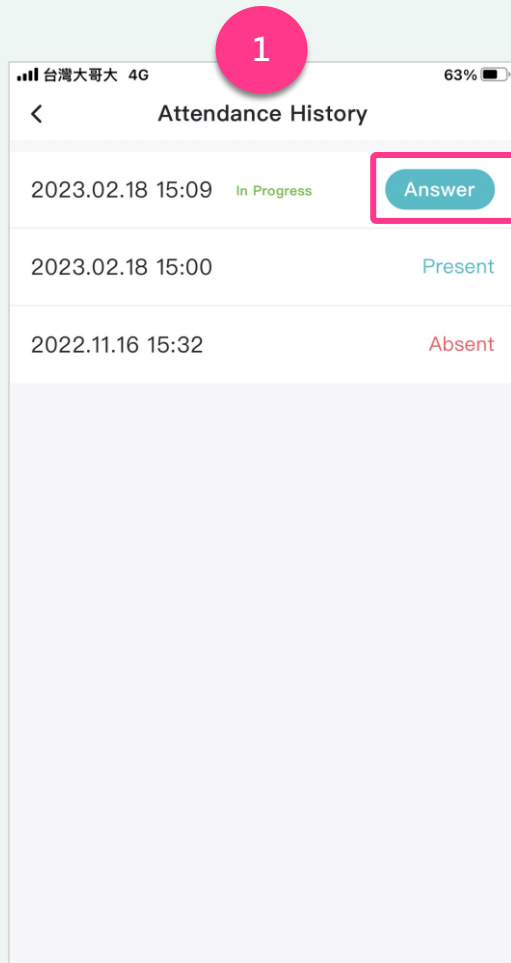

1. When receive the notification of radar rollcall , turn on your mobile network, GPS ,and press **Answer** ..

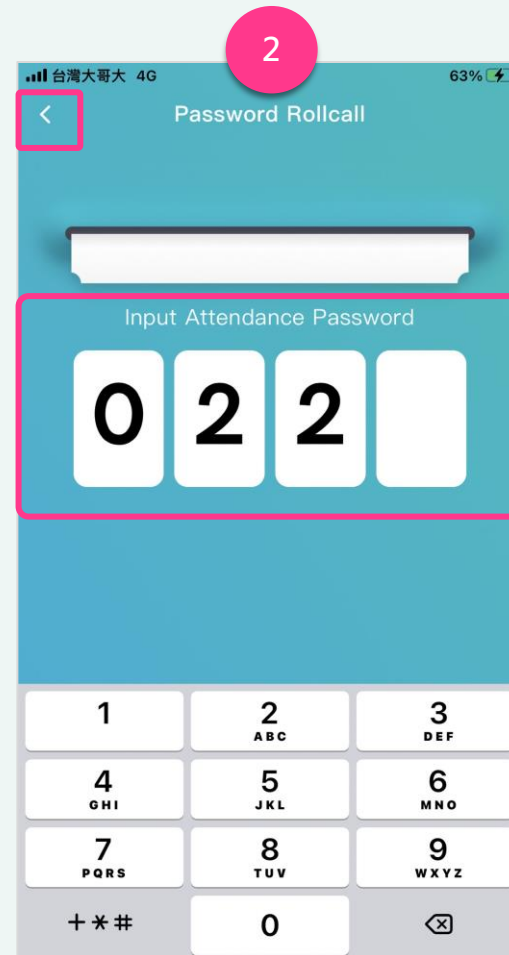

2. press **Attender**. Successfully roll-call, and Press “< ” to check the result.

3. Confirm the rollcall result.

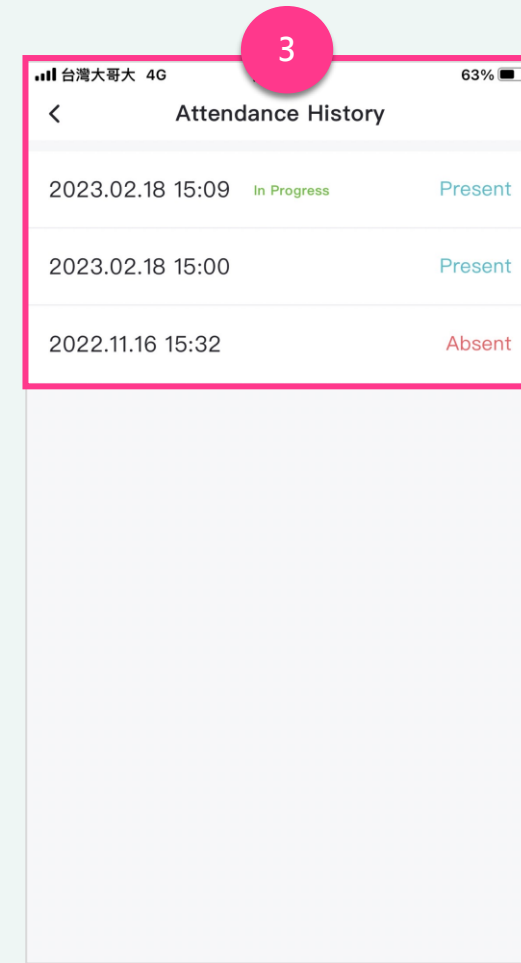

# Step 5: App Rollcall (2/2)

1. When receive notification of password rollcall, press **Answer**.

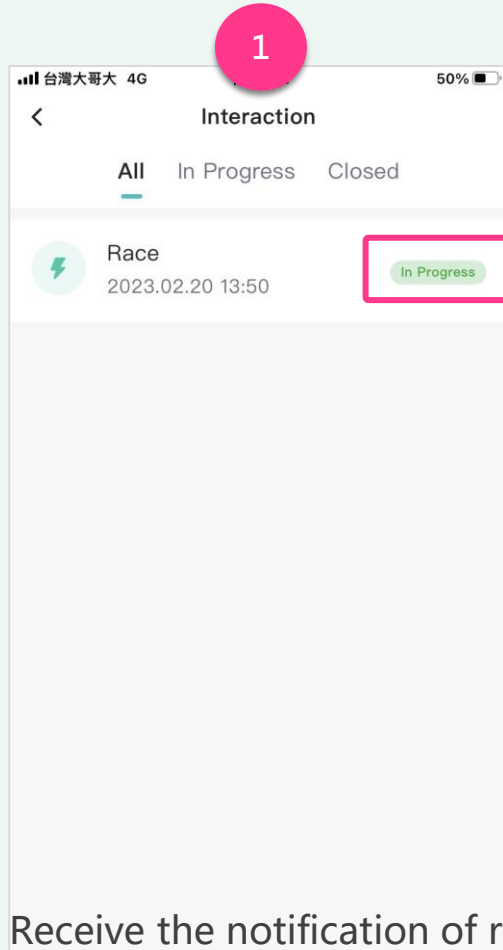

2. Keyin rollcall code provided by the teacher, and it will display **Success**. Press "**<**" to check the result.

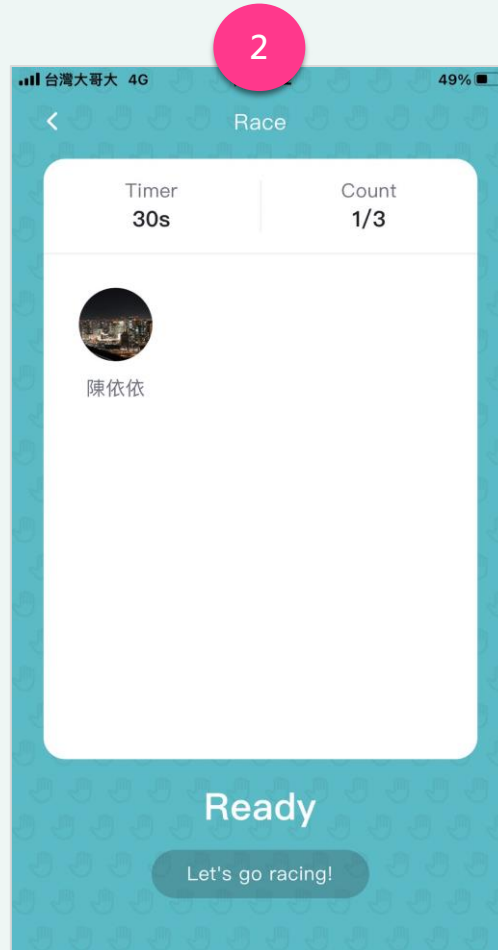

3. Confirm the rollcall result.

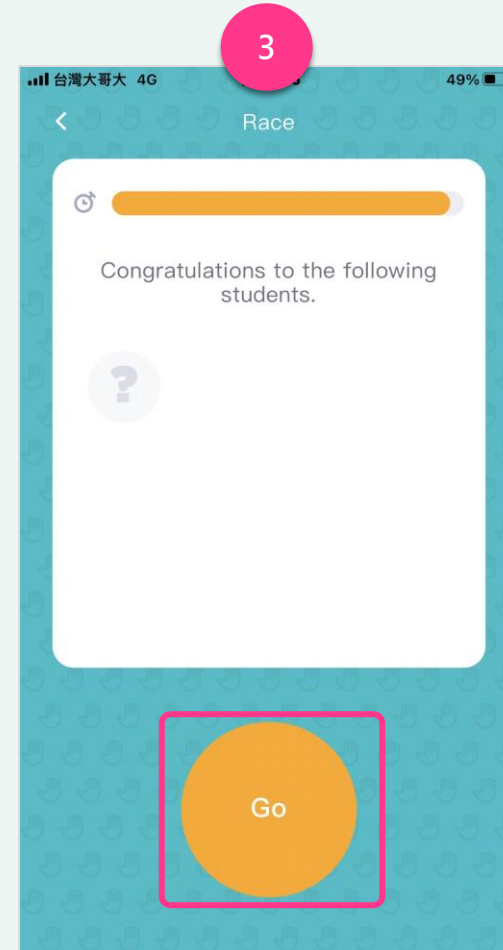

# Step 6 (1/5): App Race Game

1. Receive the notification of race, press **In progress**.

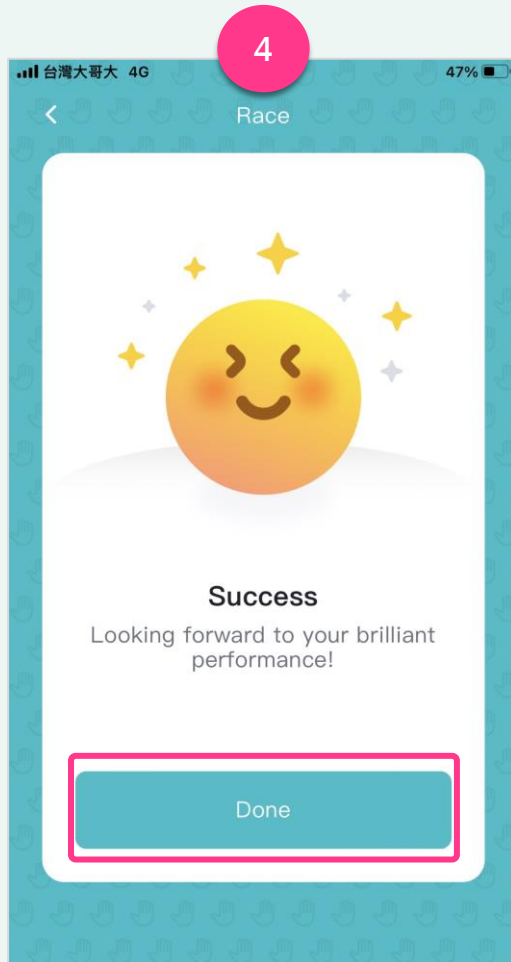

2. Get ready to race.

3. Press "**Go**" within the countdown.

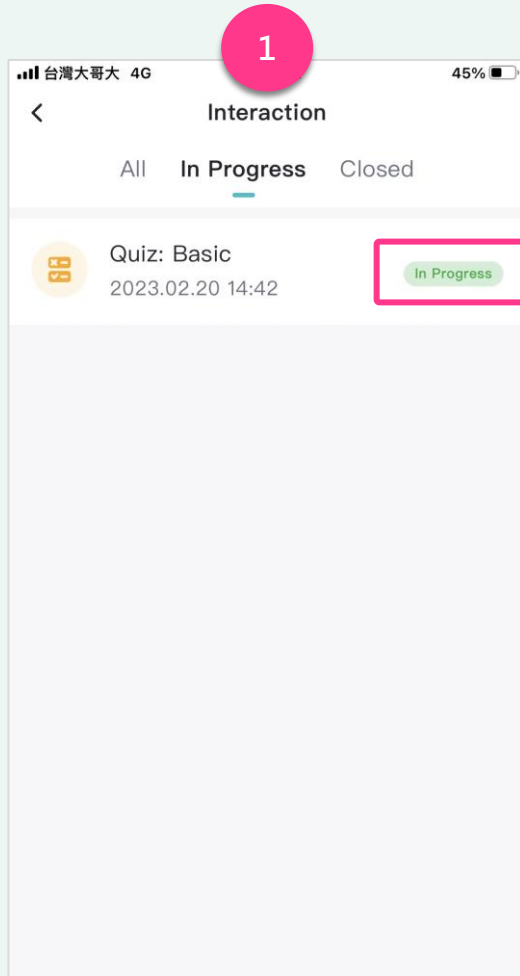

# Step 6 (2/5): App Race Game

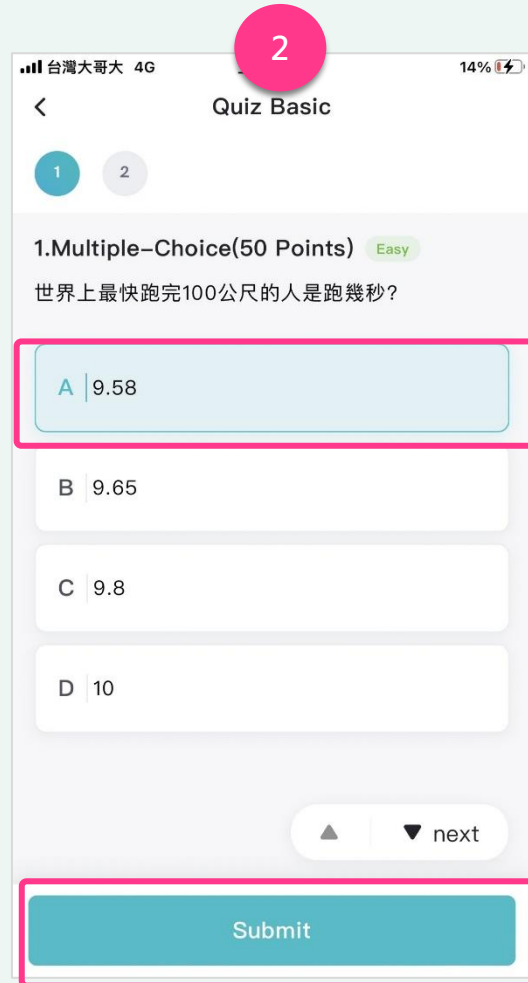

4. After receive the notification of " **Looking forward to your brilliant performance** ", you can enter into race to make the brilliant performance.

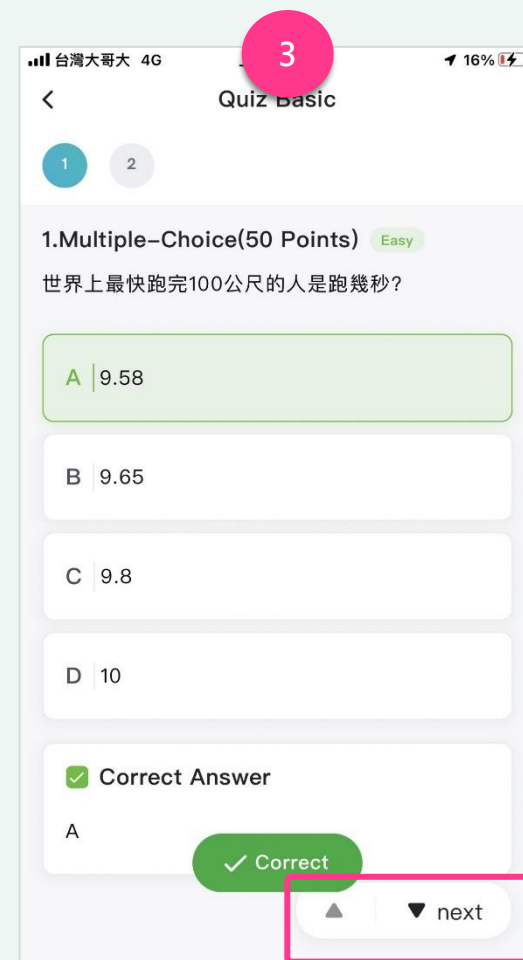

# Step 6 (3/5): App Quiz

1. When receive the notification of quiz, press **In progress** to enter it.

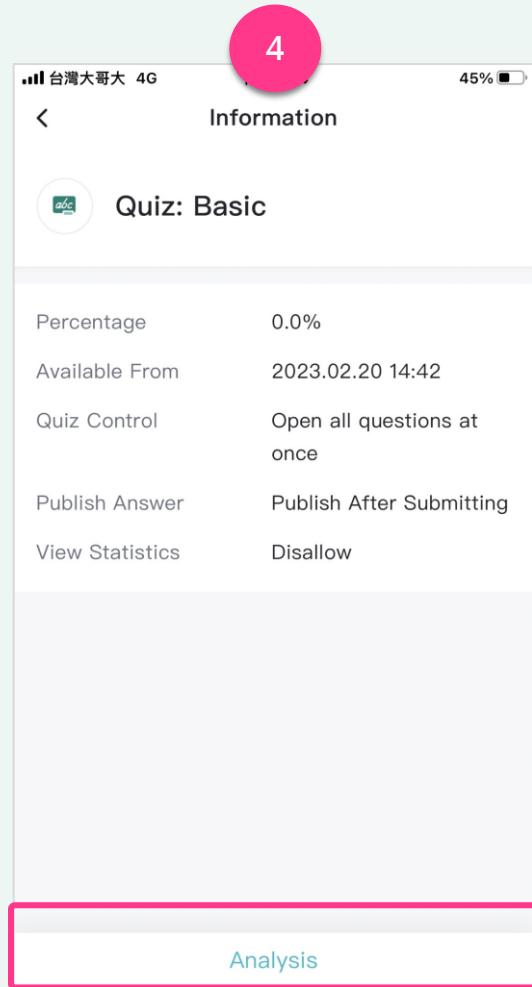

2. Chose your answer, press **Submit**.

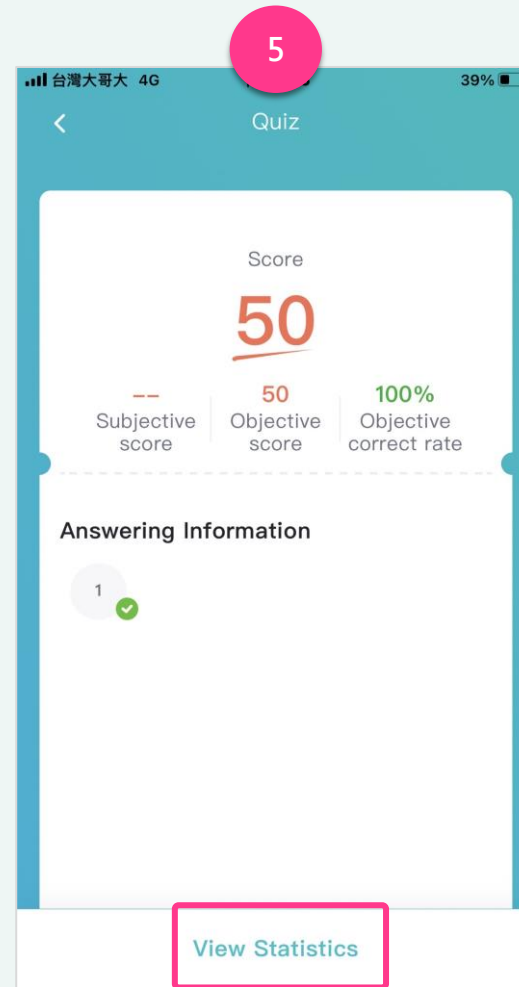

3. The system will automatically prompt the result, then press **next** into the next question.

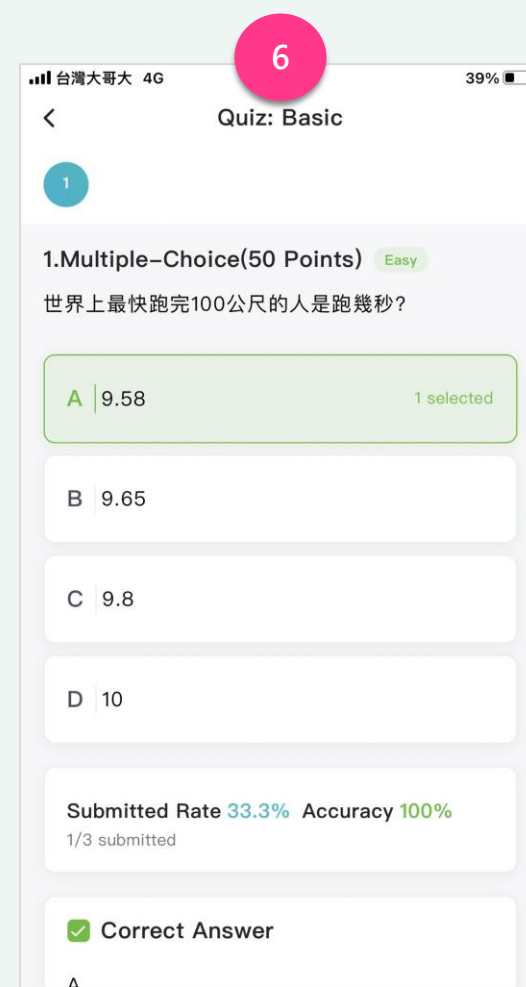

# Step 6 (4/5): App Quiz

4. After the quiz closed by teacher(s), he/she can click **Enter Analysis** to view results.

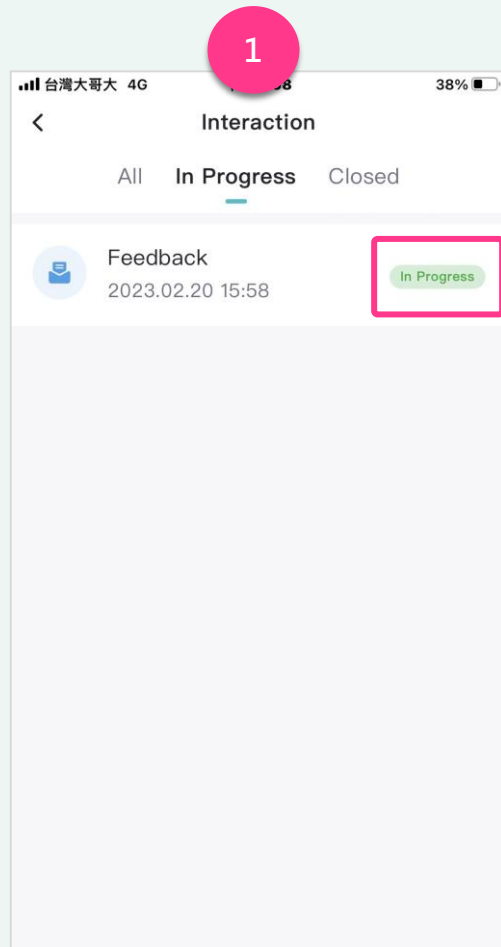

5. Click **“View Statistics”** to see the details of the answer.

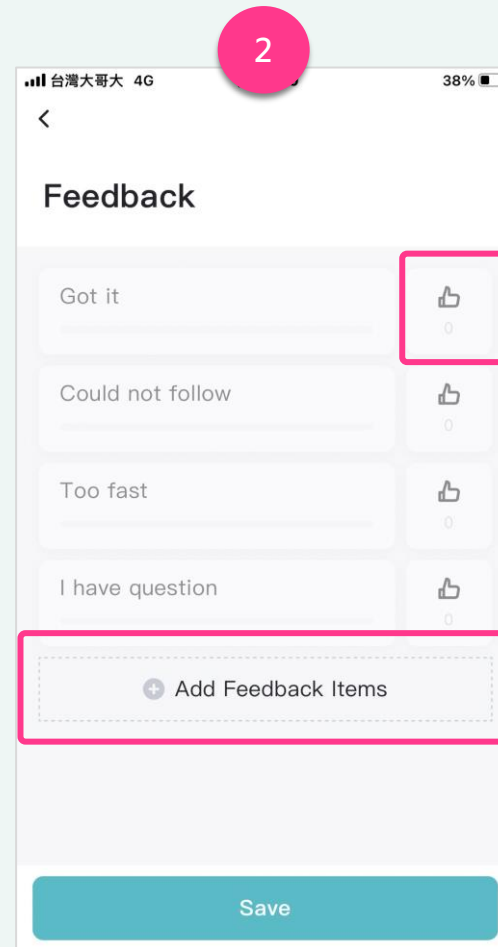

**Answer Details Page**

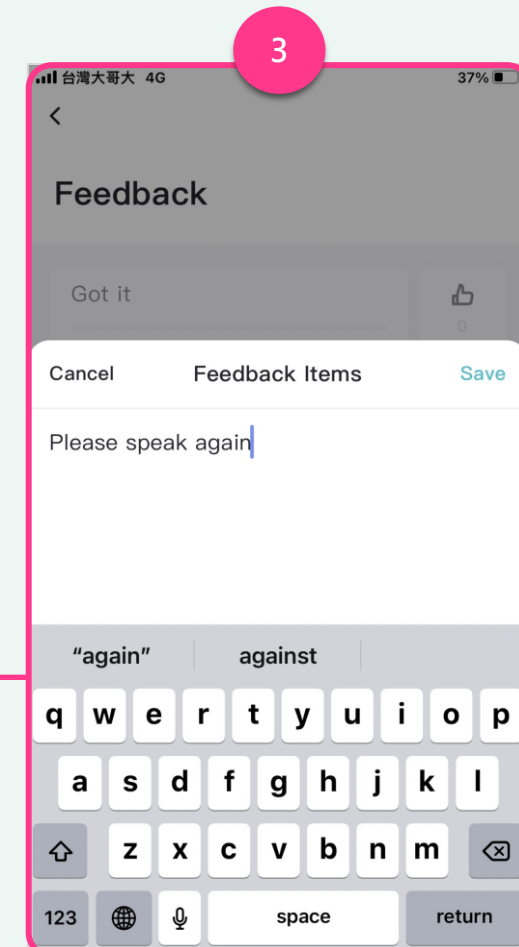

# Step 6 (5/5): App Feedback

1. When receive the notification of feedback, press **In progress** to enter the activity.

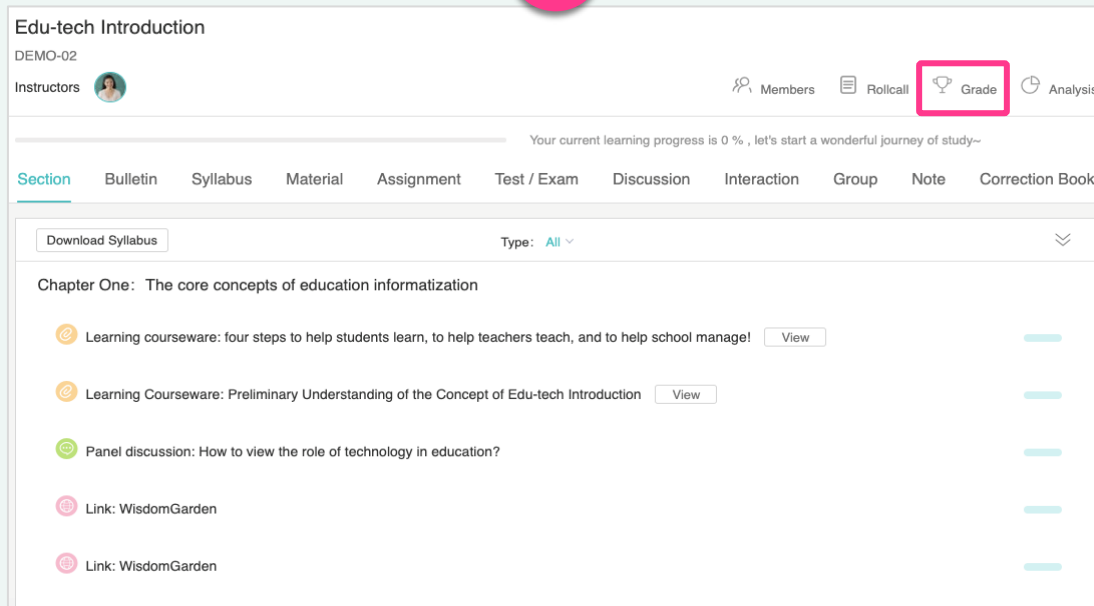

2. press the **Like** icon to indicate approval and like, or click **Add Feedback**.

3. Text feedback or comments (e.g. please explain the concept again) and press **Save**.

# Step 7: Check Grades

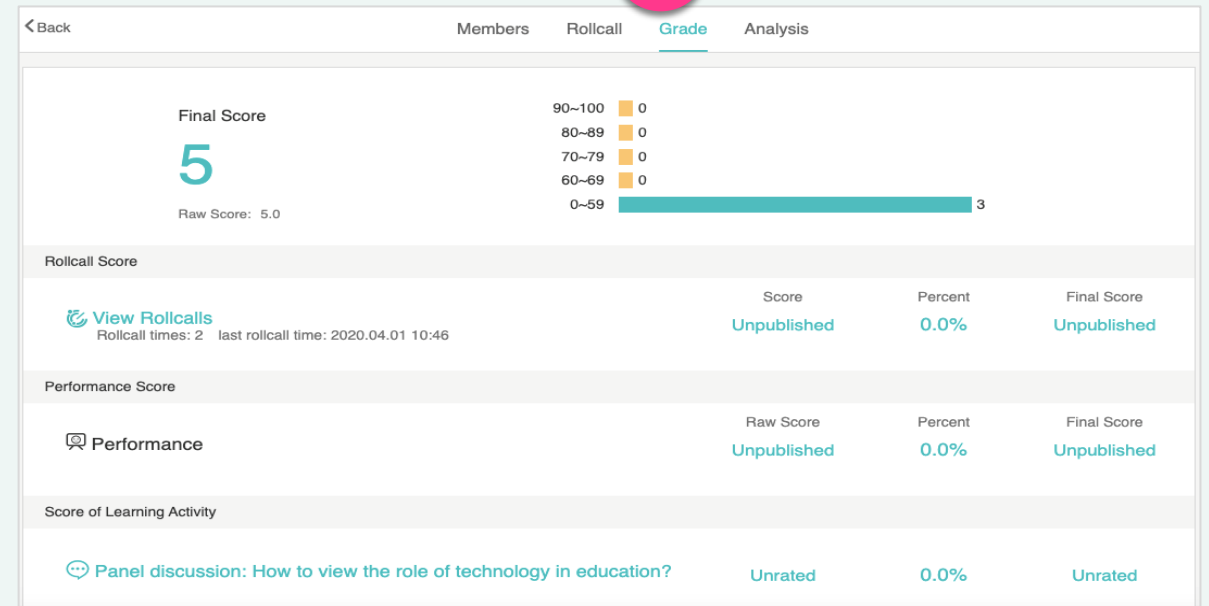

1

The screenshot shows the course page for 'Edu-tech Introduction' (DEMO-02). The 'Grade' button is highlighted with a red box. The page displays a list of learning activities under 'Chapter One: The core concepts of education informatization'. The 'Grade' button is located in the top right corner of the course page, next to 'Members', 'Rollcall', and 'Analysis'.

1. Get into the course and click **Grade** button to overview your grades.

2

The screenshot shows the 'Grade' overview page. The 'Final Score' is 5 (Raw Score: 5.0). The 'Rollcall Score' is 3. The 'Performance Score' is Unpublished. The 'Score of Learning Activity' is Unrated. The page displays a list of learning activities with their respective scores.

Score	Percent	Final Score
90~100	0	
80~89	0	
70~79	0	
60~69	0	
0~59	3	

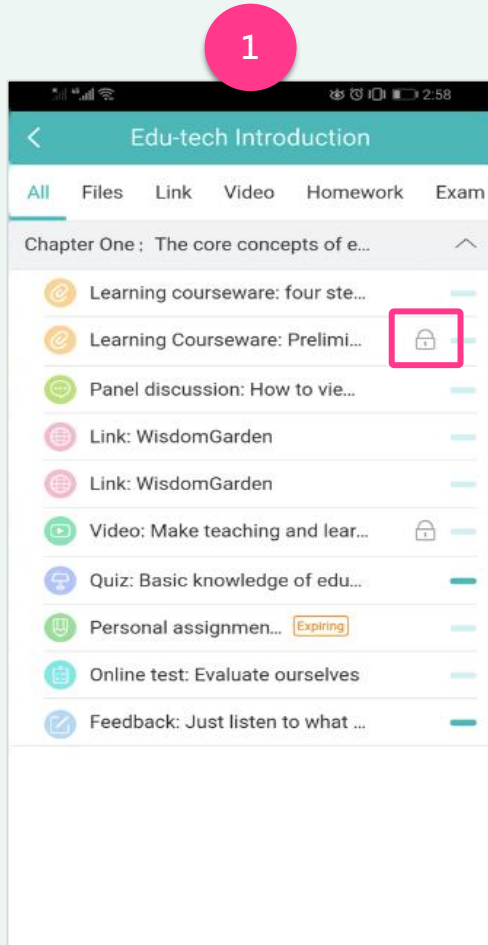

Score	Percent	Final Score
Unpublished	0.0%	Unpublished

Raw Score	Percent	Final Score
Unpublished	0.0%	Unpublished

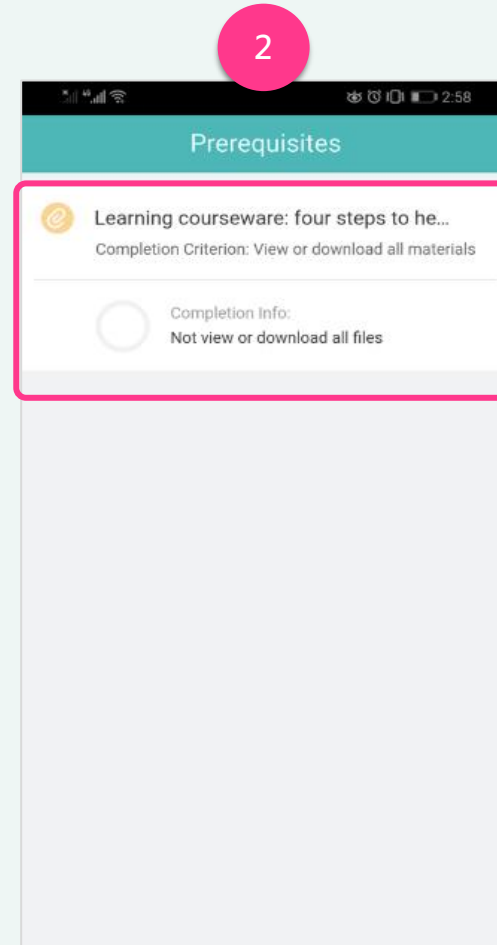

Score of Learning Activity	Unrated	0.0%	Unrated
Panel discussion: How to view the role of technology in education?	Unrated	0.0%	Unrated

2. You can view your score gained from each learning activity, such as attendance, class performance, assignments, tests, and discussions.

# Step 8: Checkpoint Learning

1. In **Checkpoint Learning** mode set by teachers, the locked learning activity is prerequisite (with a **lock icon**) for other activities.

2. When you enter the target learning activity that is locked, you will see reminders and descriptions of **prerequisites**.

You need to complete the required learning tasks first to get the permission for the target learning activity.

Make teaching and learning easier!

Thank You
